MEMORANDUM FOR: FE/ [REDACTED]

SUBJECT: PSB Paper D-23 (Revised), dated 10 June 1953

1. In response to your request that a review be made of the revised PSB D-23 Plan, PY Division submits the following general comment:

a. Those undertakings outlined in Phase 1 of the plan point toward too much of an overt U.S. effort [REDACTED] to the extent that it may minimize and make more difficult our achievements. It is our recommendation that Phase 1 of the plan include the same objective which also appears in Phase 2 (Para. 3 a. (2) Page 35): "associating (of our effort and leadership) as closely as possible with indigenous anti-communist forces so as to increase the national self-confidence of these forces..."
